

COMMITTEE OF THE WHOLE
MEETING NOTES OF SEPTEMBER 3, 2024

The meeting was called to order at 8:30 a.m. by Christensen and held at Waterwheel Park.

Present: Case, Christensen, Lutke, and Bahle

Absent: Smith, Suppes & Yoder

Staff present: Petroskey & Larrea

Park Update:

The DPW staff arrived and removed that portion of the snow fence to allow for a partial opening of Waterwheel park. Larrea stated that he hoped there would be a complete opening of the park next spring. Larrea noted that the project came in under budget. Future improvements include a gazebo, an ADA compliant sidewalk, and additional trees planted. Larrea added that signage would be placed to let users know that the no mow strip will remain in place as the restoration project continues. Members asked about a bridge, bathroom relocation, name and picnic tables. Larrea stated that these items will be addressed in the near future.

The meeting adjourned at 9:00 a.m.
